

HERE'S WHAT'S POSSIBLE.

Genesee County **Habitat for Humanity** has been providing safe, affordable housing and stabilizing Flint's neighborhoods through community building and volunteerism since 1987.

As part of the Master Plan, we're asking for your help in creating a new Land Use Plan regulating the use of properties and buildings throughout the city. Come to a **Land Use Workshop** and help shape your city's future.

When we all work together, great things can happen. Imagine Flint is your opportunity to help shape the future of your city. Join us and be part of the Comprehensive Master Plan process. **Imagine Flint. Here's What's Possible.**
